

JCRUX

Visual Artist • Muralist • Live Painter
Sacramento, California • jermaintilson@gmail.com

Artist Bio

Young and evolving Sacramento-based visual artist exploring healing, identity, transformation, and emotional storytelling through abstract expressionism, murals, and live painting. Jcrux creates bold, expressive artwork rooted in resilience, creativity, and community connection. His work has been featured throughout California in galleries, festivals, public art projects, solo exhibitions, and cultural events.
